We take you on a circular bike route that starts in Kutina and leads through the beautiful Moslavina region through Repušnica, next to the church of St. Nikola Tavelić, on the wine road to the Mikša klet, where you will have the opportunity to taste 4 types of wine, including the first Croatian branded variety, the autochthonous Škrlet. We continue along Repušnička klet towards Mramor hill, known for its oil and gas field, through Ciglenica, a village named after brickyards, where bricks were baked from the dirt extracted from the mine, located between the slopes of Moslavačka gora. The route continues through Mikleuška past numerous orchards and pastures, all the way to Selište and then towards beautiful Kletište, past the motocross trail to Kutina, where this interesting route ends.
