WALKING ROUTE ITINERARY (5 km):

- Gathering at 9:00 AM in front of the Repušnica Reception Center
- Start of the tour at 9:30 AM
- Lunch

We take you to Košćeva staza through the beautiful Lonjsko polje in the area of Repušnica. The hiking trail is circular and suitable for families with children, and starts at the Repušnica Reception Center, goes along the northern embankment of the Lonjsko Polje retention area along the floodplains of meadows and pastures, across the Vrbačinec rest area and ends at the reception center. You can see native breeds grazing freely and watch birds on your own. According to your wishes, for the little ones, we will organize an educational workshop called 'The Corncrake – The Mysterious Meadow Singer', while for you we organize a cycling tour to the Jame canal, where you can try your hand at kayaking.

Availability period: from April to October

Programme duration: approx. 6 hours

Route difficulty: easy
